Dear Ms Johnstone,

Outreach Play Sessions - Nantmel

Play Radnor recently delivered play sessions in the Nantmel community to a mixed age range of children; the sessions were extremely well attended and I am pleased to report that we received a lot of positive feedback from children and parents alike.

We have been continually running play sessions in Llandrindod and Rhayader for more than eighteen months and these sessions have greatly benefited the communities in many ways.

We are keen to continue working in your community and wondered if you would be interested in supporting Play Radnor to help us continue to develop.

Please contact me if you would like to discuss creating more positive play opportunities in and around the Nantmel community.

I very much look forward to hearing from you.

With kind regards,

Ben Webb
Development Manager - Play Radnor
